

Dear MBA Class of 2015,

Orientation begins in just a week and we are excited to soon welcome you in person.

As we've said many times, the two weeks of orientation will be busy with a full array of activities, but with the very deliberate intent to help you acclimate and assimilate to life as an MBA student.

Here are a few last minute reminders:

Arrival & Check-in: Monday, August 12

- Arrive between 8:30-9:00 AM at the [Business Building](#) located on the corner of Park Avenue & Shortlidge Road.
- Dress for this day is **business casual**

Schedule

- Last week we posted an updated [Orientation Schedule](#) on the MBA Student Exchange. The only scheduling change to note is that the "Welcome Back Picnic" has been moved to Saturday, Aug 24th. Expect more details on the exact time and location during the second week of orientation.
- On Tuesday, Aug 13th, you each have individually scheduled laptop set-up appointments. Appointment times were determined based on your computer type and other individual requirements during the day. The appointment schedule is now available along with the Orientation Schedule.

Graduate Assistants and Teaching Assistants

- If you have a Graduate Assistant position, your assigned work department should notify you shortly about your duties and obligations. International students assigned as Teaching Assistants will need to attend language proficiency testing on Wednesday, Aug 21st. Individual appointment times will be provided during the first week of Orientation.

See you on Monday!

Best Regards,

Erik & Susan
