

Penn State Smeal MBA

Corporate Connections. Career Results.

Dear Class of 2019:

Congratulations on your admission to the Penn State Smeal MBA Program! We are excited that you will be joining our community in just a few short months. We trust that you will appreciate the vast resources of a major university with the camaraderie, community, and sense of family that comes with a small program dedicated to your success.

Last week, you received the first in a series of communication messages you will receive from us &/or Career Services on a weekly basis. The intent of the "Monday Message" series is to keep you informed and connected to Smeal and, above all, to provide you with instructions or information relevant to your arrival at Penn State and acclimation into the MBA Program. In addition to our weekly messages, you will find very valuable information on the [Admitted Students Website](#). This site includes the Incoming Student Checklist, providing a wide range of details on university resources, State College, and the surrounding community commonly referred to as "Happy Valley."

We look forward to supporting your academic and personal success at Penn State University!

Sincerely,

The MBA Student Services Team
